MISSION STATEMENT

“And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ.” Ephesians 4:11-12

The mission of Hyles-Anderson College is to educate, equip, and empower the next generation of Christian servants to influence the world for Christ.

EDUCATE

Modern teaching methods are utilized to convey old-fashioned Biblical truths, while applying high academic and moral standards.

EQUIP

Resources, training, experiences, and opportunities applicable to their field of study equip students with tools necessary to be productive ministry workers.

EMPOWER

Curriculum, chapel services, church services, and ministry outreach are coordinated to help connect students to the source of all power: a personal relationship with Christ. This relationship is paramount in preparing for a life of serving God and His people.

Hyles-Anderson College is an institution geared toward preparing servants of Christ to serve in full-time ministry in a local church, in a Christian school, or on the mission field.

ABOUT OUR CAMPUS

Hyles-Anderson College
8400 Burr Street
Crown Point, Indiana 46307

Hyles-Anderson College is located in rural Lake County of Northwest Indiana. The 107-acre campus includes wooded hills overlooking a four-acre lake, a spacious gymnasium, athletic fields, a dining facility, the Wendell Evans Auditorium, and a main building complex with attached residence halls.

A wonderful college atmosphere is provided by the beauty of the Hyles-Anderson College campus.

Hyles-Anderson College is located in a suburban area, yet it is only 30 minutes from the First Baptist Church of Hammond and less than a one-hour drive from downtown Chicago. Easily accessible within a short distance from the campus are two libraries, several malls and shopping areas, and a multitude of restaurants and eateries.

GENERAL INFORMATION

RESIDENCE HALLS

The residence halls are a place where many lifelong friendships are forged. They are supervised by the Vice President of Student Life and his staff. The residence hall staff is available around the clock to support the needs of the on-campus students. Although the residence halls are not a replacement for home, they are a place where students develop a portion of their spiritual and social life.

Each student is expected to furnish linens, pillow, bedspread, and blankets for a twin-sized bed. For more information, contact the Office of Student Life.

CHURCH ATTENDANCE

Students are required to attend either the First Baptist Church of Hammond or their home church in the local area. All requests to attend any church other than the First Baptist Church of Hammond must be individually approved by the administrative committee of the college.

The administration occasionally will allow a junior or senior to serve as interns or paid staff members of other fundamental churches.

NOTICES

NOTICE OF NONDISCRIMINATORY POLICY AS TO STUDENTS

Hyles-Anderson College admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, national, or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic programs, and other school-administered programs.

NOTICE TO STUDENTS, STAFF, AND FACULTY MEMBERS

In the event of a catastrophe such as, but not limited to, fire, windstorm, hail, explosion, riot attending a strike, riot, civil commotion, aircraft, vehicles, and smoke, Hyles-Anderson College is not liable for damage to any personal belongings of students. Neither is Hyles-Anderson College liable for the theft of personal belongings of students, staff, or faculty members.

Hyles-Anderson College reserves the right to withdraw courses at any time, to change the fees, to change the calendar, or to change the rules regarding admission, as well as graduation requirements or any other regulations affecting the student body. Changes shall become effective whenever the proper authorities so determine and shall apply not only to prospective students but also to those who, at that time, are matriculated in the college.

ADMISSIONS INFORMATION

ADMISSIONS POLICIES

Married students must be at least 20 years old by the first day of registration for each semester.

Single, divorced students must be at least 25 years of age by the first day of registration for each semester.

Every student under 20 years of age on the first day of registration for each semester must be either a high school graduate or have a GED certificate.

ACT scores are required for students applying to Hyles-Anderson College. For those who take the test multiple times, the college will use the highest score achieved in each section. An accepted student who does not take the ACT test before enrolling must take the test on campus at a cost of \$100.

[For more information about test dates and locations, refer to act.org.](#) The ACT code number for Hyles-Anderson College is 1199. Students should use this code to have their scores sent directly to the Admissions Office.

INTERNATIONAL STUDENTS

Hyles-Anderson College is authorized under federal law to enroll non-immigrant alien students. An international student should apply for admission to Hyles-Anderson College well in advance of when he plans to register as a student. The government requires that, before the forms to assist the international student in entering America to study can be issued from the college, the prospective student must complete the application procedure and be accepted as a student at Hyles-Anderson College. He must also furnish adequate evidence of his ability to meet his financial responsibilities. It is very rare for F1 students to be permitted to work off campus. This permission is given by the federal government, not Hyles-Anderson College. An international student applicant must have a minimum score of 500 on the TOEFL exam. An F1 student must enroll in the bachelor of science program.

TRANSFER-STUDENT TRANSCRIPTS FROM OTHER COLLEGES

A student transferring from another college must have all transcripts sent directly to Hyles-Anderson College from the schools attended, whether or not credits have been received. It is expected that a transfer student be in good standing at the school last attended. Credit is given for all subjects which are equivalent to those offered in our catalog and in which a minimum grade of C was earned. An evaluation of a transcript must be made by the Academic Vice President to determine which credits can be accepted and to determine the classification of a transfer student. A student must earn at least 38 semester hour credits at Hyles-Anderson College to receive a degree from this institution. Any applicant who has attended another college must have a transcript sent to Hyles-Anderson College by every college attended, even if they do not desire to transfer any credits or if no credits were earned there.

TRANSFER CREDITS

A student who desires to transfer credits to Hyles-Anderson College must care for this matter as soon as possible. Every student must earn 30 of his last 36 hours at Hyles-Anderson College. The other 6 hours must be approved in advance by the Academic Vice President. A maximum of 20 hours is transferable from another college into an associate of science diploma and the secretarial program. A minimum of one semester of keyboarding must be earned at Hyles-Anderson College for the administrative assistant certificate. Under rare circumstances, a student may be exempted from some business courses; i.e., passing a proficiency test. A student may take courses at other colleges during the summers between regular semesters while enrolled at Hyles-Anderson College. They must receive written permission in advance to have these credits transferred to Hyles-Anderson College. This approval will come from the Academic Vice President and must include approval of the school and specific courses to be transferred.

TRANSCRIPT REQUESTS

Transcript requests may be submitted by going to the college's website, hylesanderson.edu/transcript-request-form/. The transcript request should be filled out, signed, and the transcript fee paid online. Official copies will be sent directly to a school or business. Unofficial copies will be given or sent directly to the student requesting them.

SEMESTER	MIN. CREDITS EARNED	MIN. CUMULATIVE GPA
1	8	1.5
2	16	1.7
3	24	1.9
4	32	2.0

ACADEMIC PROBATION

A student who has a C (2.00) average for an individual semester may go back to the academic probation level. A student with a GPA below 3.0 or the grade of F during the previous semester will be limited to taking 16 credits or fewer. Part-time students must maintain a cumulative grade average of C (2.0).

UNIT OF CREDIT

The unit of credit is the semester hour. A semester hour is one 50-minute period of instruction per week for 16 weeks per semester. Resident students are required to enroll in a minimum of 12 semester hours.

Classification of Students:

A student is classified as detailed in the following chart:

CLASS	SEMESTER HOURS	HONOR POINTS
Sophomore	32	64
Junior	64	128
Senior	96	192

PLACEMENT TESTS

Hyles-Anderson College offers the following placement tests which cover introductory courses taught by the college:

GENERAL MATH TEST

An elementary and secondary education major should take the General Math Test as early as possible. An elementary education major who passes this test may take an elective course in its place. A secondary education major who fails this test must take General Mathematics (MA 101) as their first elective.

ENGLISH PLACEMENT

A student will be placed in an English class based on English scores on the American College Test (ACT). A student who scores 21 or lower will be placed into Grammar I and will also take Grammar II and English Composition I. A student who scores 22-24 will be placed into Grammar II and will also take English Composition I and English Composition II. A student who scores 25-34 will be placed in English Composition I and will then take English Composition II.

FUNDAMENTALS OF MUSIC

All elementary education majors, all students with a music teaching field, and all music majors must either pass the [Fundamentals of Music Test](#) or enroll in the course Fundamentals of Music (MU101).

GRADING SYSTEM

Hyles-Anderson College uses the four-point system for determining a student's grades as illustrated below:

GRADE	HONOR POINTS PER SEMESTER HOUR
A	4
B	3
C	2
D	1
F	0
W	Withdrawal

A student who made an incomplete (I) during a semester will have three weeks after the last final exam of that semester to resolve any issues. If all issues are not resolved by the required deadline, the (I) will be changed to a punitive grade (F).

A student must make a grade of C (2.00 GPA) or higher in all courses that are a part of the majors, minors, all English courses, all Bible courses, and Church Education.

At the close of each semester, every student whose school bill is current will receive a copy of their grades for that semester. A student with a delinquent account will receive a copy of their grades as soon as the outstanding bill is paid.

GRADUATION

A candidate for graduation for the Bachelor of Science degree must take a minimum of 38 semester hours at Hyles-Anderson College, must meet the normal requirements for a major field of study, and must have a minimum GPA of 1.8 at the end of the semester preceding graduation.

A student who expects to march in any commencement exercises must notify the Academic Vice President at least 60 days prior to the date of the commencement exercises.

Each year at the commencement exercises, a valedictorian and salutatorian will be announced. They will be the two graduating seniors who have the highest academic average at Hyles-Anderson College. A minimum of 90 hours must be completed at Hyles-Anderson College to be eligible for these honors. Correspondence work done while enrolled in college would not be considered as classroom work done at the college. In the event of a tie, those with less than 128 hours at Hyles-Anderson College would not be eligible; also, +'s and -'s on grades would be considered.

At least 128 hours must be earned for the bachelor of science degree. Also, a student must have an academic average of at least a C (2.00) in courses taken at Hyles-Anderson College to receive the bachelor of science degree. However, a student must take all required courses. This may necessitate his taking 131 hours or more.

At least 34 hours and a C (2.00) average must be earned for the pastor's refresher diploma.

At least 36 graduate hours and a B (3.00) average must be earned for the master of education and master of arts degrees.

At least 64 hours must be earned for the associate of science diploma. Also, a student must have an academic average of at least a C (2.00) in courses taken at Hyles-Anderson College to receive the associate of science diploma.

A student who receives a bachelor's degree and who maintains a high academic average at Hyles-Anderson College will graduate with honors as follows:

Academic Average	Honor
3.50 or higher	Cum Laude
3.75 or higher	Magna Cum Laude
3.90 or higher	Summa Cum Laude

COURSE NUMBERS

A student is usually scheduled in courses according to course numbers as detailed in the following chart:

CLASS	COURSE NUMBERS
FRESHMAN	100-199
SOPHOMORE	200-299
JUNIOR	300-399
SENIOR	400-499
GRADUATE	500-599

CHURCH EDUCATION

All men enrolled in pastoral theology, pastoral assistant, Bible, missions, or youth ministry are required to take and complete Church Education with at least the grade of a C. Men are required to pass a minimum of 12 semester hours of Church Education during the regular fall and spring semesters.

Church Education credits may be completed with up to 5 credits of Applied Bus Work. A student receiving veterans benefits will not be allowed to take Applied Bus Work toward the Church Education requirement. A student in the pastor's refresher program is also required to take Church Education every fall or spring semester they are enrolled. A student with a B (3.0) average in Church Education may replace the last semester of Church Education with electives.

ONLINE COURSES

After enrolling in the Hyles-Anderson College resident program, there is a limit of 16 online credits taken from Hyles-Anderson Online and a limit of 5 credits taken from other online colleges. Classes must be approved in advance. This policy does not apply to students who are married or are 25 years old.

MISSIONS TRIPS

A student may receive credit for missions trips under certain circumstances. Approval is required through the Academic Office before leaving on the trip.

CORRESPONDENCE COURSES

In rare circumstances, credit for correspondence courses approved in advance by the Academic Vice President may be transferred from other colleges to Hyles-Anderson College.

TEACHING FIELDS

Education majors are expected to be proficient in their chosen teaching field. During their first year in college, education majors will be required to pass a proficiency test for their chosen teaching field. A student who does not pass the test would be required to take remedial classes in the teaching field. This would mean that the student could not complete this major in four years.
