# Ain't Sayin' He's a Gold Digger

by [taylorpotato](#)

## Summary

Peter and Stiles hook up on a sugar daddy dating website. Here's the ensuing love story, told through chat screenshots and text messages. (Put me in the trash where I belong).

## Notes

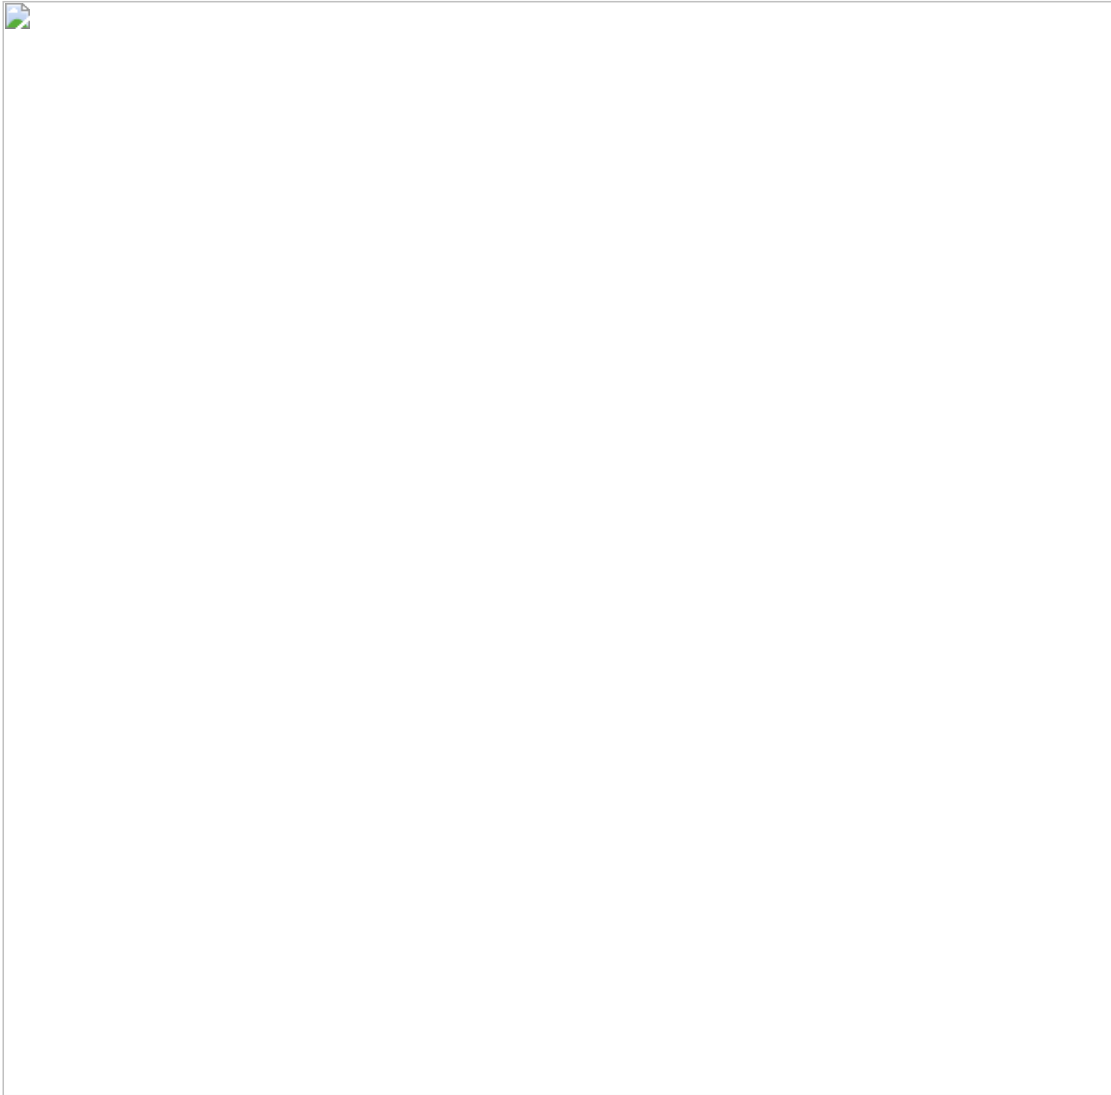

UPDATE: I fixed the goddamn pictures. Plus now everything lives on [taylorsficdump](#), so hopefully I don't have to do this again.

Best read on a laptop/desktop, in chrome. The pictures are wide. It's all pictures, son. Transcript is in the works.

**(If you're on mobile this is easier to read [on tumblr](#). IF YOU OPEN IN THE TUMBLR APP THO, THE LINK WILL DISSAPEAR AND YOU WILL HAVE TO SCROLL.)**

# Chapter 1

## Chapter 2

### Chapter Summary

The meeting.

## Chapter 3

### Chapter Summary

The one where Stiles takes Peter off his 'ignored users' list. (Also now that this is caught up with what I have posted on tumblr, updates should be a little more reasonably spaced out).

(I have a bet with myself about this breaking 500 kudos before the two week mark. Said bet involves a bottle of vodka. We have three days and twenty five kudos to go. Enable my alcoholism.)

## Chapter 15

### Chapter Summary

The one where Stiles is shitfaced.

(Shit, son. We made 500 kudos and then some... at 750 I'm buying a bottle of whiskey. Just sayin.)

## Chapter 17

### Chapter Summary

The one where Peter is a nerd that uses emoticons.

## End Notes

All I can say is 'wow' guys. I never expected this fic to take off the way it did. I was just fucking around when I started it, but y'all made it so much fun, I couldn't help continuing. One of the best parts of writing a WIP like this is how everyone gets involved and gives tons of suggestions and encouragement. I loved reading all the speculation about different character's motivations. And even if I don't respond to your comments (I am awful at responding to every single comment, so my policy is to just not respond to anybody to keep it fair), I really appreciate them. You guys made these past fortyish days super rad.

I have vague plans for a few more one-shots in this series. Lord knows if they will come to fruition. But I hope they do.

Regardless, thanks so much for reading.

The trash crusade never dies. Steter on.

UPDATE - 2/25/17

Though I have pretty much dropped out of fandom life, working that 9-5, and being in a serious relationship, and trying to maintain a social life, I finally came back and updated these pictures.

I've also immortalized them on [taylorsficdump](#) since my old blog is now defunct.

Please [drop by the Archive and comment](#) to let the creator know if you enjoyed their work!
