

Introduction

This document will expose the Roblox YouTuber Parlo for running an NSFW Discord server that knowingly allowed minors as young as 15 years old to be exposed to pornography, explicit conversations, fetish content, and more. This document will also show Parlo's attempts at hiding this server from the public.

Who is Parlo?

Parlo is a controversial 18 year old Roblox commentary YouTuber who creates "drama videos" that discuss events or expose people in the Roblox community. His channel is now inactive after his father removed access to the internet in March 2022 after he [sent self harm images to minors and attempted to commit suicide.](#)

Who is CammyFemboy?

It has been discovered that Parlo was secretly going by another internet alias "CammyFemboy" during his break. This was discovered through insider information and mutuals of Parlo following the account.

Parlo posted revealing "femboy selfies" of himself under the CammyFemboy Twitter account. This led to him amassing over 2,000 followers in less than 2 months.

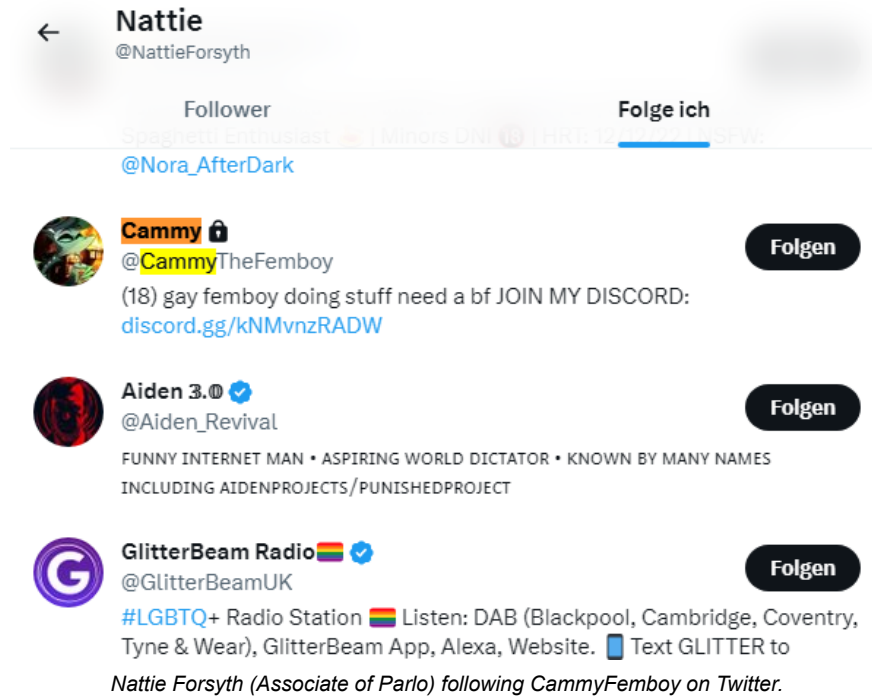

More proof can be shown by comparing photos of Parlo to the photos posted on the account. Parlo's birthdate also matches with CammyFemboy and in leaked messages from Parlo he describes owning such an account. The CammyFemboy Discord account was also present in the RYC Discord server and a friend of Parlo was present in the CammyFemboy Discord server. See the images below.

Parlo panicked when this information was discovered and changed the username of the account from "CammyFemboy" to "CammyTheFemboy". Parlo also deleted all messages he sent in his CammyFemboy Discord server "Homo-Topia" and locked his account.

Homo-Topia

“Homo-Topia” was a Discord server owned by Parlo under the CammyFemboy account. The server had a clear sexual undertone and most conversations were sexual in nature. This included discussing sexual experiences, sexual kinks, making sexual comments to other members, and sending nude images to other members.

The rules for the Discord stated nobody under the age of 16 was allowed. This means Parlo was directly allowing underage individuals to be exposed to the explicit content. Even worse: this rule was ignored as some of the most active members were openly as young as 15 years old.

Parlo suspiciously purged all messages sent by him on the server multiple times. This was done before and after the server was discovered. There are no archives of any messages sent by Parlo before the server was discovered.

Pornography and suggestive photos were often posted on this server. No channels were marked as NSFW. This was so that any minors with their Discord account set as underage could still access all channels. There was a channel named “#irl-media” which was dedicated for members to post photos of themselves. This was generally used by members to post revealing or suggestive photos. This included members who were underage. The legality of these images is questionable.

There was no age verification process. Many members did not give their age. The publicly disclosed ages ranged from 15 to 43 years old. These ages were unverified and anyone younger or older could have easily falsified their age.

Friend of Parlo and [alleged paedophile](#) Nattie Forsyth was a moderator for the server. Nattie has continued to show no improvement and posted suggestive photos on the server full of minors. This comes only a few months after the Roblox YouTuber attempted to [launch an OnlyFans account](#) and [promote their NSFW Twitter to their underage fans](#). Parlo still associates with Nattie Forsyth despite this.

The server was deleted by Parlo soon after it was discovered. Parlo is a fully grown adult who understands that running a server like this and exposing minors to such content is inappropriate. Parlo has called others out for similar behaviour. He should be held accountable for his actions.

**File is 1.5 gigabytes and has NSFW content. Any revealing or suggestive photos involving minors has been removed.*

A meme featuring two panels of anime-style catgirls. The top panel shows a pink-haired catgirl with a blushing, happy expression, looking up. The bottom panel shows a black and white catgirl with a shocked or excited expression, mouth wide open. Text overlays the top panel: "Netflix: 'are you still watching?' Someone's son:". The bottom panel has some faint, illegible text at the bottom right.
