COMPANY BACKGROUND

L&W Industries has been a manufacturer and distributor of signal products closing in on 50 years; offering our customers a full line of quality railroad signal products and services. We maintain a wide variety of manufacturing capabilities and warehouse products in our centrally located facility in Springfield, Missouri.

QUALITY ASSURANCE PHILOSOPHY

L&W has a quality culture, adopted at the top and enforced throughout the organization. L&W is committed to a continuous journey of maintaining policies, people and processes in accordance with the core principles of Quality Standards such as ISO 9000 series, MIL-Q-9858 and LEAN. At every level, ultimately, L&W's goal is to exceed customer expectations with engineering designs, quality and reliability of the product, and the customer experience from quote to product delivery and support.

QUICK SHIP PROGRAM

24-48 HOUR SHIPMENTS

L&W has committed to maintaining stock on certain items used in the daily maintenance and installation of your signal system. These items are denoted in the catalog with a double asterisk “**” at the end of the part number. If required, these products can be shipped within 24-48 hours from receipt of the order. Orders received after 11:00 am CST will ship the following business day.

L&W ACCEPTS VISA AND MASTERCARD ORDERS

L&W CONDITIONS OF SALE

The equipment, parts, accessories, technical data, services and other materials (herein referred to as the "Goods") offered for sale to customer (herein referred to as "Customer") by L&W Industries (herein referred to as the "Company") will be sold upon the following terms and conditions:

1. General:

- a. Notwithstanding any prior quotations, correspondence, conversations, agreements, purchase orders or similar instruments relative to the Goods, these Conditions of Sale are the only terms and conditions applicable to the sale of the Goods.
- b. All purchase orders submitted by Customer must be in writing. ANY AND ALL TERMS OR CONDITIONS SET FORTH IN A PURCHASE ORDER OR OTHER COMMUNICATION FROM CUSTOMER THAT ARE DIFFERENT FROM, IN ADDITION TO OR IN CONFLICT WITH THE TERMS OF THIS AGREEMENT ARE OBJECTED TO BY THE COMPANY AND SHALL NOT BE EFFECTIVE OR BINDING UNLESS SPECIFICALLY ACCEPTED IN WRITING BY THE COMPANY.
- c. None of the Conditions of Sale herein may be added to, modified, superseded or otherwise altered except by a written instrument signed by the Company and delivered by the Company to Customer.
- d. The acceptance of any quotation issued by the Company is expressly limited to the terms of such quotation, including all the Conditions of Sale herein contained, and the transmittal by Customer of a purchase order in response to any such quotation shall constitute an acceptance of such quotation and these Conditions of Sale, provided that the purchase order agrees with such quotation with respect to (i) the description of the Goods to be furnished by the Company as shown on the face thereof, (ii) the quantity, (iii) the purchase price to be charged and (iv) the delivery terms. Written quotations automatically expire 30 days from the date of issue, unless otherwise extended or terminated in writing by Company.

2. Prices and Payment

- a. The purchase price shall be set forth on a quotation provided by the Company to Customer or, if not provided by quotation, at Company's then current list price. Prices are subject to change without notice. Unless otherwise agreed to by the parties, orders will be billed at the price in effect at the time of shipment. **There is a \$200 minimum order charge.**
- b. Prices do not include sales, use, excise or any similar tax, fee or charge. The amount of any such tax, fee or charge shall be added to the invoice and paid by the Customer, unless Customer provides Company with a valid exemption certificate acceptable to the applicable taxing authority.
- c. If Customer has a satisfactory credit rating, as determined by Company in its sole discretion, payment terms shall be net cash 30 days from date of invoice. If Customer does not have a satisfactory credit rating, Company reserves the right to require different payment terms, including but not limited to payment in advance. If payment is not made in conformance with the terms of these Conditions of Sale, in addition to all other legal rights available to Company at law or in equity, Company shall be entitled to charge Customer, effective from the date payment becomes due, interest at one and one-half percent (1 1/2%) per month on the unpaid balance (but not to exceed the highest lawful rate of interest under applicable law). Customer shall pay all costs of the Company, including reasonable attorney's fees and court costs, incurred by it in collection of past due amounts from Customer.
- d. Customer shall not be entitled to SET OFF any amount owing at any time.

3. **Delivery; Shipment; Risk of Loss:**

- a. Unless otherwise agreed in writing, all Goods are shipped FOB Company's factory. Upon delivery to the initial carrier, title shall pass to Customer, and Customer shall assume all risk and full responsibility for any loss, damage or deterioration of the Goods.
- b. Unless otherwise agreed in writing by the parties, the customer is responsible for all freight charges.
- c. Catalog listed weights are carefully estimated but cannot be guaranteed. No specific weight classification by a transportation company is guaranteed.
- d. Unless otherwise agreed to in writing by the parties, the Company is authorized to make partial shipment of the Goods. Each partial shipment shall be deemed a separate sale, and invoices shall be rendered, and payment shall become due therefore in accordance with these Conditions of Sale. Company reserves the right to change the quantities of any item ordered by Customer to the nearest carton quantity unless Customer's purchase order or Company's quotation specifically states to the contrary.
- e. Customer shall give written notice to the Company of any claim for shortage, error in shipment, or error in charges within thirty (30) days after receipt of the Goods, or such claim shall be deemed waived.
- f. Any delivery dates communicated to the Customer, either verbally or in writing are only approximate and the Company is not responsible for any damages, losses or costs of any kind including, but not limited to, loss of revenues or profits incurred as a result of late delivery of the Goods.

4. **Returns:**

Company will not accept any return of Goods unless Customer first obtains a Return Material Authorization from Company. A minimum 20% restocking fee and handling charges will be applicable on returned Goods and deducted from any refund for the Goods returned. The amount of the restocking fee shall be determined by Company in its sole discretion based upon the condition of the Goods returned. All transportation charges paid by Company will be charged to Customer and deducted from any refund due to Customer.

5. **Force Majeure:**

Any failure or delay by the Company hereunder shall be excused from liability for the time and to the extent such failure or delay is caused by force majeure or any other cause not within the reasonable control of the affected party thereto or the Company's suppliers experiencing such difficulty. The term "force majeure" shall include, without limitation, acts of God and the public enemy, the elements, fire, explosion, accidents, acts of terrorism, breakdowns, labor disputes, embargoes and any other public disturbance, inability to obtain materials, supplies, permits or transportation facilities, damage to equipment or production or storage facilities, or act or omission by a third party not controlled by the party experiencing such difficulty and any laws, orders, rules, regulations, acts, restraints of any governmental authority, civil or military.

6. **Warranty:**

a. Except as otherwise stated herein, the Company warrants the Goods to be free from defects in material and workmanship for a period of 12 months from the date of manufacture of the Goods.

b. **THE WARRANTIES SET FORTH ABOVE ARE COMPLETE AND ARE IN LIEU OF AND CUSTOMER HEREBY WAIVES, ALL OTHER WARRANTIES, EXPRESS OR IMPLIED BY STATUTE, USAGE, CUSTOM OF THE TRADE OR OTHERWISE, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

c. The liability of the Company under its above warranty is expressly limited to the Company's obligations to REMEDY any failure at the COMPANY'S OPTION by ADJUSTMENT, REPAIR OR REPLACEMENT of the whole or any part of the Goods affected by such failure. The Company's obligation to repair or replace defective Goods constitutes agreed and liquidated damages for any breach of warranty of the Company. The Customer must notify the Company of any breach of warranty within ten (10) days of discovery of such breach by mail addressed to: L&W Industries P.O. Box 3237, Springfield, MO 65808, Attention: Warranty Department. Customer shall assume all responsibility and expense for removal, reinstallation and freight in connection with the foregoing remedies. Company's obligations and rights under this warranty shall be extended on any replacement parts for one year after date of replacement. Company shall have the right of disposal of parts replaced by it hereunder.

7. **Limitation of Liability:**

The Company shall not be liable to the Customer under any warranty or otherwise for: (a) damages or accidents resulting from the Customer's or the Customer's employees or agents: (i) failure to observe the operating and safety instructions for the Goods, (ii) performance of improper handling, storage, installation, operation or maintenance of the Goods or (iii) operation or attempted operation of the Goods above its rated capacity, whether or not intentional; or (b) incidental, consequential, exemplary or punitive damages of any kind.

8. **Delegation – Assignment:**

Customer's rights and obligations hereunder shall not be delegated or assigned without the Company's prior written consent.

9. **Governing Law:**

These Terms and Conditions of Sale shall be governed by the laws of the State of Missouri, USA without regard to conflict of laws provisions. For purposes of any action brought as a result of or related to this Agreement, the Customer hereby consents to, and waives any objections to the exclusive jurisdiction of state court in Greene County, Missouri, USA and the United States District Court for the Western District, Southern Division at the Company's election. The Customer further consents and waives any objection that venue of

any action brought as a result of or related to this Agreement shall be proper in the above-named court.

10. Severability:

In the event any one or more of the Conditions of Sale contained herein shall be held invalid, illegal or unenforceable in any respect by a court, such invalidity, illegality or enforceability shall not affect the other Conditions of Sale stated herein; provided, however, that the remaining Conditions of Sale can be reasonably construed together without the provision declared invalid, illegal, or unenforceable.

11. Effect of Waiver:

Failure of the Company to enforce any or all of the Conditions of Sale herein in a particular instance or instances shall not constitute a waiver or preclude later enforcement.

12. Cancellation:

Once accepted by the Company, an order for Goods cannot be canceled by Customer without written approval from the Company. Acceptance of cancellation will be predicated upon Customer's payment of a cancellation charge to be determined by the Company in its sole discretion. In addition to the 20% restocking fee on standard stock items, additional cancellation charges may also apply to any non-standard parts that are purchased or manufactured by the Company in whole or in part of any order at the discretion of the Company.

GATE LIFT BRACKET & BOTTLE JACK

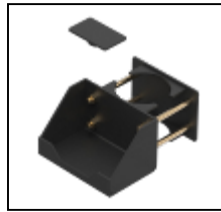

Note: Gate Lifting Kit Requires Bottle Jack, Bottle Jack Not Included in Kit

GATE LIFTING BRACKET INCLUDES
TOP PLATE FOR BOTTLE JACK, BOTTLE
JACK NOT INCLUDED IN KIT, COMES
W/CARRYING HD TOOL BAG FOR 5" MAST

LW PART NO. 6R900383

LW PART NO. 6R900383-J (Kit w/Bottle Jack)

LW PART NO. PA00200 (Bag Only)

BOTTLE JACK ONLY - HEAVY DUTY US MADE

3 TON, BODY HEIGHT 8 1/2", EXT HEIGHT 17 3/8", DURABLE IRON BASE

LW PART NO. 6UD51122

ALC - ADJUSTABLE LIFT CONNECTOR

PATENTED PRODUCT FOR USE WITH A GATE MECHANISM AND JUNCTION BASE

IT IS DESIGNED TO BE PRE-WIRED AT A SHOP LOCATION THEN FIELD ADJUSTED TO PRECISION HEIGHTS.

HELPS EASILY KEEP YOU IN FRA COMPLIANCE!

ALUMINUM ADJ. LIFT CONNECTOR

LW PART NO. 6U900262

HIGH QUALITY MACHINED ALUMINUM 6061-T6, 1 7/8" O.D. DIAMETER ROD

USE WITH THOMAS & BETTS 2" STRAIGHT SEAL TIGHT CONNECTOR, 14" SHAFT LENGTH

Installation: Recommend 3 to 4" from bottom allowing the gate mech to drop or

Raise approximately 10". Works great with L&W's 6R900383 GATE MECH LIFTING KIT,

REQUIRES BOTTLE JACK (not included).

HOUSE or BUNGALOW

L&W offers a broad range of manufactured houses/cases. We have the expertise, and ability to produce enclosures that are manufactured from **ALUMINUM**, **STAINLESS STEEL**, OR **POWDER-COATED**. These enclosures have functioned well in a variety of mission critical applications in some of the harshest environments. Our focus is to closely integrate engineering, manufacturing, quality, and customer service systems.

TYPICAL 6X6 BUNGALOW (4'x4' to 10'x??, typically 2' increments)

FOUNDATIONS

** INDICATES STOCK ITEM

**L&W GALVANIZED STEEL FLASHER & FLASHER/GATE FOUNDATIONS ARE MANUFACTURED FROM STEEL ANGLES WELDED TO FORM A RIGID STRUCTURE, FINISHED WITH HOT DIPPED GALVANIZED COATING
STANDARD HARDWARE IS YELLOW ZINC COATED UNLESS OTHERWISE SPECIFIED**

NOTE: Bottom plate for flasher applications used with gate mechanisms and/or high wind areas.

8A20140 Series for 48", 8A20135 for 36", & 8A20157 for 60" Foundations

L&W PART NO	Hardware Kit*	Reversible Cable Riser	Leveling Plate	36" Bottom Plate

TRANSIT SIGNALS

L&W manufactures a wide variety of transit signal configurations. A heavy duty fabricated 5 1/2" solid body signal head which can be mounted on a 4" or 5" mast or wall mounted while still providing alignment adjustments and maintenance. In addition, we offer an 8 3/8" cast aluminum stackable signal head. These are offered for a wide variety of LEDs (signal color or multi-color), incandescent, bar lights, track indicator, junction base or lockable terminal box.

HEAVY DUTY TOOL ORGANIZER

L&W PART # HT900463

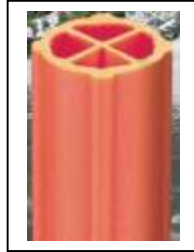

SNYDER'S HOLDER-HEAVY DUTY HAND TOOL ORGANIZER
BASE PLATE 24"x16" with 24" HIGH HOLDERS w/SLIP RINGS
POWDER COAT TXTRD BLACK

Tired of digging through a ton of hand tools, getting fingers pinched? This creative heavy duty design will allow easy access and visibility to your tools.
Works great in your workshop or tru

SNOW POLE – HIGH IMPACT POLYOLEFINS

LW PART NO. ZB901884
SNOW POLE, 8FT, FLOURESCENT ORANGE
Priced ea/Std 25 pck

LW PART NO. ZB901884-1
SNOW POLE, 8FT, FLOURESCENT ORANGE
W/WHITE WRAP
Priced ea/Std 25 pck

Design: The Snow Pole shall be a minimum of 1.300 inches wide, 96" inches tall, comprised of a round tube with 0.090 inch thick walls, 0.250 inch wide external ribs, supported by four (4) internal intersecting ribs, and made of high-impact polyolefins conforming to the following material specifications:

Property	ASTM Test	Results
Specific Gravity (min.)	D 1505	0.95
Hardness (min.)	D 1525	60 D
Tensile Strength, PSI @ break	D 638	5,000
Elongation @ break, %	D 638	800
Flexural Stiffness	D 638	100,000
Heat Deflection Temp, 66 PSI	D 648	149 degrees F
Low Temperature, Brittleness Point	D 746	- 76 degrees F

Materials: Snow Poles shall be constructed of UV-stabilized polymers stabilized to resist UV degradation.

Color: Snow Poles shall be solid throughout. Standard colored poles fluorescent color orange poles shall be designed to fade to a non-florescent "background" color over time.
